Newsletter

End of Academic Year Edition - July 2026

Cherish everyone - flourish together - serve others

Dear Parents and Carers,

As we reach the end of another academic year, I would like to take this opportunity to reflect on what has been a truly wonderful year for our school and to thank everyone who has played a part in making it such a success.

Newnham St Peter's is a very special place and that is because of the people who make up our school community. I would like to extend my heartfelt thanks to our children, staff, parents, families, PTFA and the wider community of Newnham for the incredible support you have shown throughout the year. Whether through volunteering your time, supporting school events, fundraising, attending performances, helping with trips, or simply encouraging and nurturing our children, every contribution has made a difference. **Schools thrive when communities work together and we are incredibly fortunate to be part of such a caring, supportive and generous community. Newnham St Peter's simply would not be the school it is without you all.**

I would also like to offer huge congratulations to our Nature Quiz Team – Beatrice, Millie, Ochre and Bea, along with Judy, who was our reserve team member. We are incredibly proud that they were crowned winners of this year's **Gloucestershire Wildlife Trust Nature Quiz Grand Final**. This is an outstanding achievement and a testament to their enthusiasm, teamwork and impressive knowledge of the natural world. My thanks also go to Rachel and Mrs Pearson for the time, dedication and expertise they invested in preparing and supporting the team throughout the competition.

Finally, thank you to the children's families for nurturing and encouraging their love of nature, helping to inspire the curiosity and passion that led to this fantastic success.

As one school year ends, we also prepare to say goodbye to some valued members of our staff team. Mrs Mutlow, Miss Chamberlin, Miss Kelly and Mrs Brown will be leaving us at the end of term. Each of them has made a significant contribution to the life of our school and has worked tirelessly to support the children and families of Newnham St Peter's. We are extremely grateful for all they have done and know that they leave with our very best wishes for the future. They will be greatly missed by staff, children and families alike.

The final weeks of term have been packed with memorable experiences and opportunities for our children. We have enjoyed a hugely successful Sports Day, where the children demonstrated excellent teamwork, determination and sportsmanship. Our Year 5 pupils have benefited from taster days at their future secondary schools, while our EYFS and Key Stage 1 children enjoyed an exciting trip to the zoo. We have celebrated musical talent through our Piano Recital and the fantastic Rocksteady Concert, and it was wonderful to see our youngest children recognised at their Reception Graduation. Our Year 6 pupils have represented the school brilliantly in an archery competition, entertained us with their excellent end-of-year performances, and will mark the end of their primary school journey with a moving and memorable Leavers' Service.

To our Year 6 children, we are immensely proud of everything you have achieved during your time at Newnham St Peter's. As you prepare to begin the next chapter of your educational journey, we wish you every success and happiness at secondary school. We know you will continue to flourish, embrace new opportunities and make us proud. Although you may be leaving, you will always remain part of the Newnham St Peter's family, and you are always welcome to come back and visit us in the future.

Finally, I would like to wish all of our children, families and staff a restful, happy and enjoyable summer holiday. Thank you once again for your continued support, kindness and commitment throughout the year. We look forward to welcoming everyone back for another exciting year of learning and growth when school reopens on **Monday 7th September**.

Have a wonderful summer.

Kind Regards,

Mr Child

**Gloucestershire
Wildlife Trust**

Nature Quiz Champions

We are incredibly proud to celebrate the fantastic achievement of our Nature Quiz Team, who have been crowned **Primary Schools Wildlife Quiz Champions!**

Competing against an impressive 70 schools, our team demonstrated outstanding knowledge, teamwork and enthusiasm to take first place at the final. Even more remarkably, this is the first time a Forest of Dean primary school has won the competition since 1998.

A special mention also goes to Bea in Year 3, who is believed to be the youngest child ever to be part of a winning team. What an incredible achievement!

The team represented our school brilliantly throughout the competition, showing excellent teamwork, confidence and a real passion for wildlife and the natural world. They should all be extremely proud of what they have accomplished.

well★done

23rd - INSET Day

Water Safety with Gloucester Fire Service

The whole school enjoyed a visit from Gloucestershire Fire & Rescue Service, who delivered a whole-school assembly all about staying safe in and around water.

The firefighters shared important water safety advice, helping everyone understand how to recognise risks, make safe choices and know what to do in an emergency.

After the assembly, we viewed the fire engine and even had a turn using the fire hose.

It was a fantastic hands-on experience that the children thoroughly enjoyed while learning valuable life-saving messages.

A huge thank you to Gloucestershire Fire & Rescue Service for such an engaging and memorable visit.

Thank you

A huge Thank you to Kirk Raines who has kindly volunteered his time to transform our outside areas.

Kirk comes highly recommended by staff and parents. If you need any gardening work Kirk's contact details are here

Thursday	Y1 - Y2	Tag Rugby
Friday	Y1 - Y6	Multisports

NEWMAN ST PETER'S C OF E PRIMARY SCHOOL

Our Key Stage 1 children had an unforgettable adventure during their visit to Noah's Ark Farm, where curiosity, courage and excitement were on full display!

The children enjoyed meeting an amazing variety of animals, including Charlotte and Colin the cockroaches, Lucy the leaf bug, Sydney the Giant African Snail and many more fascinating creatures. There were lots of brave faces as the children had the opportunity to hold cockroaches and a tortoise, stroke a guinea pig, and discover incredible animal artefacts including tusks, teeth and fur.

The visit was packed full of hands-on learning, exciting discoveries and plenty of smiles. It was wonderful to see the children asking thoughtful questions, exploring the animal world and creating memories that will last a long time. A huge thank you to all of our parent helpers who joined us for the day. Your support helped make the trip such a fantastic success, and we are so grateful for your time and enthusiasm.

A wild day out that nobody will forget! 🦒 🐸 🦊 🐾

SPORTS DAY 2026!

What a day!

We had the most fantastic Sports Day – full of fun, laughter, teamwork and brilliant sporting spirit!

HOW THE DAY WENT...

We started the day with a Cha Cha Slide warm up with **DJ Child** in the dance tent!

Then it was time to explore a range of activity stations, led by our fabulous staff and volunteers, collecting points for our houses.

After lunch, the competition really started! The children took part in a range of races including the traditional egg and spoon, sack and sprint but also some exciting new races such as the **football dribble relay** and a **chicken themed race**.

THANK YOU PARENTS! ♥

It was great to have so many parents and grandparents join us and we hope all our parents that joined in with the parent races are without aches and pains!

A Newnham parent running group absolutely needs creating with that talent!

A SPECIAL TRADITION ♥

It was lovely to see the tradition continue for the Year 6 race – holding hands with **Miss Hinds** and **Mrs Pearson** for their final race. A wonderful moment!

THE RESULTS!

WELL DONE to everyone!

SUMMER FETE 2026

What a wonderful school community we have!

OVER
£1,500+
RAISED SO FAR!

What a fantastic afternoon! It was wonderful to see so many families enjoying our Summer Fete on Friday. From face painting and games to Soak the Teacher, there was something for everyone to enjoy.

The atmosphere was fantastic, with brilliant performances from Rock Steady and Claire, plenty of laughter, delicious refreshments and lots of smiling faces. A huge thank you goes to Bonnie, who led the organisation of the event. Her hard work (including some very late nights!) made the afternoon such a success.

We're still counting, but we're delighted to share that we've already raised over £1,500 for our school!

Thank you to every volunteer, stall holder, performer, family and member of our school community who helped make the event so special. ❤️ We couldn't do it without you!

YEAR 6's Final Week!

A WEEK TO REMEMBER

It was filled with *joy* and *emotion* as we bid farewell.

A SPECIAL LEAVERS CHURCH SERVICE

We gathered together for a special leavers church service to celebrate memories, friendships and the exciting adventures ahead.

A FABULOUS AND HILARIOUS LEAVERS PLAY

performed for children and Year 5/6 parents. A big thank you to the Year 5 children who supported with their fabulous singing. The Year 6's performed the play brilliantly, there were a few minor funny mishaps which only added to the performance.

A SPECIAL TEAR JERKER OF AN ASSEMBLY

with Year 6 parents – a beautiful moment of reflection, laughter and a few happy tears!

A TRADITIONAL GUARD OF HONOUR

to wave them on their way to the next exciting chapter.

EPIC WATER FIGHT!

We also hear Miss Hinds and Mrs Pearson found themselves involved in an epic water fight when the children were holding their own after school celebrations in the park.

TRADITIONAL SHIRT SIGNING

A much loved tradition to celebrate the memories, friendships and fun times together.

FOREST SCHOOL AND FRIENDSHIPS

Friday saw a special Forest School session with their reception buddies full of fun, teamwork and memories made together.

= A Message from our '= **Local Academy Committee Member**

As another school year comes to an end, it feels like the perfect time to reflect on what makes Newnham St Peter's such a special place. One of the privileges of being a Local Academy Committee member is seeing first-hand so many of the things that make this school such a wonderful community, both inside and outside the classroom.

Our recent Sports Day was a brilliant reminder of what our school is all about. The races were great fun, but what stood out most wasn't who crossed the finish line first, but how the children treated one another. Older pupils supported and encouraged younger children, everyone cheered each other on, and every achievement was celebrated. It was a lovely example of our school's values in action.

Of course Sports Day was just one of many highlights this year. From visits to the zoo, the Houses of Parliament, the pantomime, Young Voices, France and Viney Hill, to Forest School, gardening activities, the Nativity, Easter Play and countless sporting enrichment events and tournaments, our children have enjoyed another year full of learning and new experiences. These moments help children build confidence, curiosity and friendships that will stay with them long after they leave our school.

As another successful year comes to a close, it's also a time to celebrate the people who have made such a positive contribution to our school community. To our Year 6 leavers, saying goodbye is always bittersweet. We're sad to see you go, but so excited to see where your next adventure takes you. Thank you for the part you've played in our school community. You leave behind a lasting example for those who will follow in your footsteps, and we know you'll continue to make us proud. We wish you every success and happiness for the future.

I'd also like to say a heartfelt thank you to our teachers, teaching assistants, support staff and our fantastic PTFA. Whether inspiring children in the classroom, organising events, raising funds or quietly keeping everything running smoothly behind the scenes, each of them plays an important part in making Newnham St Peter's the warm, welcoming and inclusive school it is.

Finally, I'd like to thank Mr Child as he completes his first year as Headteacher. Stepping into a new leadership role is no small task, and his enthusiasm, care and commitment to the children, staff and wider community have already made a real difference. On behalf of everyone, thank you for everything you have done during your first year. We look forward to seeing the school continue to flourish under your leadership.

On behalf of the Local Academy Committee, thank you to all our families for your continued support throughout the year. We wish you a happy, restful summer break and look forward to welcoming everyone back in September.

Danni Brotherston, '=
Foundation Committee Member

School Garden Update

Last week Owls were barrowing bark to our new vegetable bed and planting pumpkins! It was super hot but everyone worked really hard.

This week we'll continue working on the bed with Sparrows class. We'd like to say a huge thank you to Coinros Park Nurseries for donating many plants, we were bowled over by your generosity. We're also so grateful to Ambleside Market Garden in Elton and to members of the Newnham community who have kindly donated to the school garden, I'm sure you'll agree that it is looking amazing.

Date: July 2026

Dear Parent/Carer

IMPORTANT INFORMATION: FREE SCHOOL MEALS (FSM) – 2026/27

From the start of the 2026/27 academic year, the Department for Education (DfE) will remove all transitional protections for FSM. At the same time, eligibility criteria will be expanded to include **all** children from households receiving Universal Credit.

From September 2026, families will need to meet the updated criteria for their child(ren) to continue receiving FSM.

Eligibility Recheck

In line with these changes, the Local Authority will review all current FSM claims before the start of the new academic year, and annually thereafter. If you remain eligible your school will be informed and your child(ren) will continue to receive FSM.

Under the new criteria, FSM eligibility will fall into two categories:

- **Targeted** – for children in households receiving Universal Credit with annual earnings of £7,400 or less. These children will attract pupil premium and other disadvantage funding for their schools. Other education entitlements, such as the holiday activities and food programme (HAF) and the 'extended rights' element of school travel assistance, will be based on targeted free school meals.
- **Expanded** – for pupils in households receiving Universal Credit with annual earnings above £7,400. This provides FSM only.

If your child(ren) is/are no longer eligible following the review their FSM entitlement will end. A confirmation email will be sent to the email address you used for your Family Portal account when you made the FSM application. **As I am sure you can appreciate the FSM Team will be extremely busy during this period so please only contact the team for confirmation if your current email address does not match the one registered on your portal.**

New Claims

We encourage any parents who believe they may now be eligible but have not previously applied or who have had an application rejected previously, to visit our website and apply. The online application process is quick, confidential, and provides an immediate eligibility check.

Apply online: [Apply for free school meals | Gloucestershire County Council](#)

Yours sincerely

Lisa Mullis

Admissions & Travel Assistance Manager
Education Planning & Infrastructure

Apply online for free school meals

From the start of the 2026 to 2027 academic year, all children from households in receipt of Universal Credit attending maintained schools, academies and free schools will be entitled to receive a free meal. Check to see if your child is eligible using the confidential online portal available on our website

www.gloucestershire.gov.uk/education-and-learning/free-school-meals/

You can secure a tasty free meal for your child and **save yourself up to £495 per year**. Plus, schools receive extra funding for each child registered as Targeted FSM – this category relates to children who are in households in receipt of Universal Credit with annual household earnings of £7,400 or less. Even if you don't want your child to take a free meal, you should still apply to ensure their school receives all the government funding to which it is entitled, helping them provide your child with the best education and support.

If your child is in Reception, Year 1 and Year 2 and receives a Universal Infant Free School Meal arranged by their school you should still apply to enable your child's school to get any extra funding to which it is entitled. If you do not have access to a computer or the internet, please speak to your child's school.

For further information, including a list of qualifying benefits, visit our website or speak to your child's school today.

The Library Challenge

11 July – 12 September 2026

Tales Through Time

Calling all readers, adventurers and story explorers!

Join the Library Challenge this summer to travel through time, get reading, and earn rewards.

How to Take Part

- Children aged 3+ can sign up for free at any Gloucestershire Library.
- Explore the tasks in your Challenge Journal, collecting stamps and rewards for each completed task.
- Come along to exciting events throughout the summer.
